

4

H.W. Mountz School

Summer Academics 2018

This summer, students should read as much as possible! Students can also complete activities from Achieve3000 of their choice. For math, please review math facts 0 to 12. Keep those brains active!

Fiction

Suggested authors:

- Andrew Clements
- Beverly Cleary
- Judy Blume

Nonfiction

Achieve3000

Math

Practice multiplication facts, 0 to 10, to mastery

It is **recommended** that students record responses to their reading. *Some ideas for writing responses include* ↓

Select articles of interest to you!

Use flashcards, online games, and websites to memorize your facts.

- Describe the setting of the story using details.
- Describe the characters using details.
- Write about something that surprised you.
- Write about something you found interesting.
- Make predictions about what may happen next.
- Write a letter to one of the characters in the book.
- Write about a part that made you ask questions.
- Explain a connection you made during your reading.
- Draw a picture of a scene from the book.
- Would you recommend this book to a friend?
