III. Executive Session –Items discussed in executive session may result in Board action when the Board reconvenes in open session to conduct the regular business meeting.

WHEREAS, the Sen. Byron M. Baer Open Public meetings Act, N.J.S.A. 10:4-6 et seq., (the “Act”) provides that the Spring Lake Board of Education may hold an “Executive Session” from which the public is excluded to discuss matters that are confidential or are one of the nine (9) subject matters listed Section 12(b) of the Act; and

WHEREAS, it is recommended by the Business Administrator that the Spring Lake Board of Education go into Executive Session on June 11, 2018 at: 6:35 pm. to discuss matters that are permissible for discussion in Executive Session; and

WHEREAS, that the Board hereby declares that its discussion of the following subject(s) will be made public at a time when the public’s interest in disclosure is greater than any privacy or governmental interest being protected from disclosure.

NOW, THEREFORE, BE IT RESOLVED by the Spring Lake Board of Education that the Board shall go into Executive Session to discuss the following items: (To be determined and announced as needed)

- Matters rendered confidential by state or federal law
- Matters in which the release of information would impair a right to receive funds from the United States Government
- Matters which would constitute an unwarranted invasion of privacy
- Matters involving collective negotiations and/or the negotiations of terms and conditions
- Matters involving the purchase, lease or acquisitions of real property or investment of public funds

**SPRING LAKE BOROUGH BOARD OF EDUCATION
MINUTES WORK SESSION MEETING
June 11, 2018 6:30 P.M.**

- Matters concerning the protection of the safety or property of the public
- Pending or anticipated litigation and matters covered by the attorney-client privilege
- Matters involving employees and terms of their employment and contract
- Possible imposition of a civil penalty or suspension

BE IT FURTHER RESOLVED that said discussion may be disclosed to the public when reasons for discussing and acting upon it in closed session no longer exist. Action WILL NOT be taken on any of the items stated above.

On motion to enter Executive Session by Mr. Ferraro, and seconded by Dr. Sterling @ 6:35 PM:
AYES - All Present

On motion to exit Executive Session by Mrs. Valori, and seconded by Mr. Ferraro @ 7:03 PM:
AYES - All Present

IV. Safety and Security Update - Dr. Boccuti informed all present that he would be attending a Mandated School Safety Specialist Training 6/25-6/28; the Rapture ID System is up and running and the RFP for Architect-will be opened 6/19/18-results will be reported at the 6/25/18 Meeting.

V. Public Comments on Agenda Items Only- 7:04 -

Mr. Roach read a statement expressing his frustrations: Minutes late, FTE's unchanged even with declining enrolment, Agendas posted last minute with too many "TBD" & "TBA"; Superintendent Report states savings in "early bird" registrations, but what is savings? ; questioned resignation of Special Ed teacher and hire of new Special Ed teacher; chided the Board to pay attention to hires, as attrition should be instituted; is ESY mandated by the State and how many students attend the Program.

Mrs. Valori advised that some of his questions would be answered during the course of the Meeting as the Board is serious about transparency - Minutes will be current by 8/20/18. We are working on providing as much detail on the Agenda as known at the time.

Mr. Breen inquired about Dr. Boccuti's meeting with Police Chief Kerr-how did it go? Pleased the Architect RFP went out- with resignations and hires-do we really need all our staff? Do all Board members meet the criteria to serve as a member i.e. residency status?

Dr. Boccuti advised that he continues to meet with Chief Kerr and Lt. Giblin, but scheduling conflicts wouldn't allow the Chief to attend our Meeting as discussed.

Mrs. Valori again advised that during the Board discussion of the Superintendent Report, hires/student placement needs would be addressed.

Mrs. Lynch inquired if the staffing on tonight's Agenda is part of the Budget? And how do we utilize IDEA funds?

Ms. Davis advised that historically, IDEA is applied for to off-set Tuition, but the application can be different every fiscal year, depending on the needs of the District.

STRATEGIC PLAN

A. Update - Dr. Boccuti- several stakeholders met on 5/31/18 as a Team and reviewed the status of the Plan

X. Old Business - Mrs. Valori, humbly read the following statement to express her personal opinion:

“ I wanted to say a few words in follow up to the previous Board conversation and vote on approval of staff, as well as some comments that were recently made to the Coast Star.

Let me begin stating that the main reason why I personally ran for the Board was to not only contribute and back to my community, but create a climate where our public could come and be heard in a positive manner. I believe we have worked hard to serve and to provide that positive climate and the transparency that was so necessary. Having been a Board member for 5 years and a Mountz Mom for 16 years, I thought this would be a great time to highlight some of the positive changes that have taken place, thanks to our hard-working teachers, staff and Administration.

For one, we are H.W. Mountz, a school where academic excellence and a superior teaching staff is expected. Parents in our community work hard to live here so they can give their children access to on of the best school systems in the State. Likewise, I am sure that if you speak to most any realtor in town, they will tell you how an outstanding community school positively affects our property value and I am certain this is important to everyone, not just those with children in our school.

In light of most recent comments, I would like to point out that Dr. Boccuti has pulled off the amazing feat of increasing our Programming such as expanding Spanish to all grade levels and maintaining a superior selection of math classes for a small school, without expanding staff. In fact, he has wisely right sized our District where appropriate to bring the District savings of almost \$ 400 K, in a very short period of time. In addition, he has worked to build relationships which are cost saving such as our Shared Services Agreement with Avon and our potential SBA position. Additionally, hiring multi-certificated staff and cross training them, and working in cooperation with other Sending Districts to offer more cost effective professional development, is just good leadership. I dare say, we should value this, as it does not come around too often.

Finally, the Administration, has made it possible for the Board to pass 3 Budgets of 1.9%, .25% and .9%, all of which are lower than the 2% increase sought each year by prior Boards. Spring Lake maintains on of the lowest tax rates of 53 Monmouth County Districts, while it delivers a world class education.

Given this, I ask you then to take into consideration that these accomplishments have taken careful planning in order to offer a fair Budget without compromising our children’s education or the value the school brings to Spring Lake homeowners. Should we not continue to try to maintain this balance of fair, but effective budgeting, we surely stand to lose a lot. To talk about “overstaffing” without factual basis is hiding the implication that some are really just looking to cut Programs. That, in my opinion, is just not acceptable for H.W. Mountz. It is important, rather, for us to maintain sensible dialog, supported through our Strategic Plan and to continue support for our exceptional teachers, Administrators and educational programs.”

XI. New Business - Mr. Ferraro attended the school play “Grease” and expressed thanks and praise to Mrs. Phillips and the student actors. Also SLED is selling 200 raffle tickets @ a cost of \$ 100.00 to continue to support the Arts.

**SPRING LAKE BOROUGH BOARD OF EDUCATION
MINUTES WORK SESSION MEETING
June 11, 2018 6:30 P.M.**

XII. Public Comment/Visitors - 8:37-9:19 PM

Mrs. DiFeo stated she believes our Programs and staff are outstanding and would hate to see cuts, but has the Board initiated any discussion with Sea Girt regarding possible merger and if not, why not?

Mrs. Valori advised that there has been no discussion between the respective Boards and for now, we will continue to seek Shared Service arrangements.

Paul Griggs, Esq. suggested the Board give permission to the Superintendent to contact the Monmouth County Executive Superintendent to see about availability of Feasibility Study funding and determine the process that needs to be implemented.

Mrs. DiFeo suggested that a Survey to the Spring Lake Community should be put out.

Mrs. Valori agrees that while there have been repeated requests at Board Meetings, she is not sure how the community of Spring Lake feels and would want to know the feelings of the majority-so will consider a Survey.

Councilman Sagui inquired if the Board would consider a "non-binding" Referendum ?

John Clark suggested the Board take a "straw poll" at a Meeting when all members are in attendance as it seems we are at log jam.

Councilman Frost suggested that the Strategic Plan be exposed to other people and that the Board go back to the Town Council to report on the process when the Executive County advises of the process.

Dr. Boccuti advised Councilman Frost that we, Superintendent and SBA, were waiting for a date to present the 2018-19 Budget to the Mayor and Council, as per our offer.

Mrs. Panzani stated that the Demographic Study shows the school can have up to 335 students and now we are barely filling half of the building; recommends closing portion of the building for other purposes. As follow up on SLED raffle tickets-please buy and what does the Board know about residency of current Board members? She stated Mr. Daino does not live in Spring Lake and that we should obtain proof of residency- Deed or Lease.

Dr. Sterling believes any merger considered will take years to play out.

Mrs. Lynch states our Cost per Pupil and Enrollment don't reflect how lean our Special Ed and CST run. Why did ESY Program change from 2 hours like last year to 4 hours this year? She has not received an answer when she speaks to CST.

Dr. Boccuti advised that ESY is driven by the students IEP's.

Mr. Breen questioned the earlier statement that the RFP's for Architect are out-is safety assessment being done or Plans approved? What exactly are they bidding on?

Dr. Boccuti advised that Chief Kerr provides advice to the Administrative team, but most of his advice is confidential and not for public discussion.

XIII. Adjourn @ 9:20 PM

On motion by Mrs. Valori, and seconded by Mr. Ferraro

Roll Call: AYES
