April 2021

Dear Parents/Guardians,

As you may be aware, each year New Jersey students in Grades 3 through 8 are assessed in Language Arts and Mathematics (Students in grades 5 and 8 are also assessed in Science). The New Jersey Student Learning Assessments are designed to measure student success in meeting the state standards.

A few weeks back we notified the H.W. Mountz families of potential testing time frames for this upcoming May 2021. The purpose of this letter is to inform you that New Jersey has been granted a waiver to postpone the standardized testing for this spring. As an alternative, students will be administered an abbreviated version of the assessments this fall. More information will be forthcoming.

Please do not hesitate to contact us with any questions you may have. We look forward to having this opportunity to continue instruction with limited interruptions.

Sincerely,

Dr. S. LaValva
Superintendent/Principal
