Q - Are you looking for something fun and exciting for your children to do during the summer?

Q - Have you ever wondered what those kids on sail boats in the Manasquan River were doing on those beautiful summer days?

Q - Have you ever wanted your children to learn to sail?

If you answered yes to any of these questions, MRYC, a local community based Sailing club on the Manasquan River in Brielle, is excited to offer Summer Sailing programs to Elementary and High School aged students for the 2017 summer season.

These instructor led, US Sailing based programs, teach children first and foremost:

- a. safety on the water,
- b. learn how to have fun on the river,
- c. gain a general knowledge of the various parts of sail boats,
- d. how to rig a sail boat and,
- e. ultimately how to sail one

On March 3rd starting at 7pm, we have scheduled an open house at MRYC where all are welcome to come hear about these programs, to ask questions and get a better understanding of what is being offered. Please rsvp to Jayne, the office manager, at 732 528-6792 or her email address: office@mryc.org by March 1st if you would like to attend this informative session.
