

## Team Mountz Goes Green

HW Mountz Environmental Club - Run by Miss Ping  
Mondays - After School until 4:15 PM. The spring 2017  
session will begin March 20 and run for 6 weeks. Open to  
students in 2nd grade and up. The club will focus on

projects around school and within  
the community-- including a beach sweep, a walking tour  
of the Department of Public Works, planting flowers,  
promoting recycling within the school, and working  
together to help Team Mountz become Greener. This is a  
great way to get involved in your school and gain  
community service, or NJHS hours!  
Club Dues are \$20 per child.
