| <p>This summer, students will read one grade-level novel and ten leveled articles from <u>Achieve3000</u>. The two scores they receive—non-fiction and fiction—will be averaged together as their first English quiz grade in September. Novel comprehension will be assessed in September. Achieve3000 activities will be scored according to the chart on the right.</p> | <p>It is recommended that students record responses to these <b>thought questions</b>, as they will assist readers during the assessment in September::</p> <ol style="list-style-type: none"> <li>1.What unusual things did John do as a freshman?</li> <li>2. Summer 2016 Math Skills Practice

**KHAN**ACADEMY

Academics

- 1.) Sign up at [khanacademy.org](http://khanacademy.org) (or log in if you already have an account).
- 2.) Visit [khanacademy.org/coaches](http://khanacademy.org/coaches) (the "Coaches" tab in your profile).
- 3.) In the "Add a coach" field, enter the class code.
- 4.) Now click Home to obtain your mission in the Notifications tool bar.

**Upcoming 8th Graders**  
**Class Code: FBT9PC**

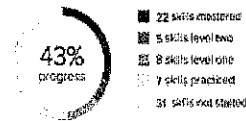

**Upcoming Geometry Class**  
**Code: VHTF34**

- The Missions provide a quick review of prerequisites and checks learners' preparedness for grade level material.
- The Missions contain a list of specific skills that are geared towards each grade.
- If the learner is having trouble, each skill contains hints and video tutorials to reinforce the grade level skill.
- In order to receive full credit (equivalent to a quiz grade), the learner must complete **at least 50%** of their given Mission.
- The student will be able to track their progress using the Dashboard View on their Khan Academy account.

MISSION PROGRESS

- Mission Calculators
- Arithmetic operations
- Fractions
- Place value and decimals
- Measurement and data
- Geometry
- Algebraic thinking

| Skill   | Mastery | Practiced |
|---|---------|-----------|
| Set   | 0       | 0         |
| Multiply by tens  | 24      | 2         |
| Equivalent fractions  | 10      | -         |
| Equivalent fractions with the same numerator or denominator | 4       | -         |
| Equivalent fractions  | 8       | 1         |
| Find the area by multiplying                                | 1       | -         |
| Solving basic multiplication and division equations         | 6       | 1         |
| Area of a rectangle   | 11      | -         |

Students can also see a more detailed view of their activity by going to their learning home and clicking "Progress."

**RISING 8th grade**  
**ALGEBRA**

**Algebra I** students are **NOT** using Khan Academy for summer work. They will be receiving a packet from Mrs. Dettlinger to go along with the summer class. The packet will be on Google classroom. Summer course dates: July 12, 13, 14, 19, 20, 21 from 9:30 - 11:00am.
