September 15, 2016

Dear Parents of our 2nd-8th Grade Students,

We are proud to announce that our 1:1 Chromebook initiative will once again be extended to grades 2-8 this year. As part of this initiative we will be allowing students in grades 3-8 to take home their Chromebooks beginning September 23rd, 2016. Please know, however, that the web-based Google platform which the students and teachers are using is not strictly bound to the use of the Chromebook. Students can access all files and programs they are using through their home computers as well.

Please read and review the Chromebook Policy Handbook with your child(ren). The handbook is located on the school website (www.hwmountz.k12.nj.us) under Quicklinks. If your child is interested in taking home their Chromebook please return pages 12 and 13 of the handbook with a check for \$60 (made out to the Spring Lake Board of Education) for each child. This check will cover an insurance policy and filter software as described on pages 7 and 8 of the handbook. Along with the handbook is a sheet outlining the directions for connecting the Chromebook to your wireless network at home.

We are very excited about this next step in your child's education and look forward to the great tasks they will be accomplishing utilizing this technology! If you have any questions regarding the payment of the insurance and filter software, please reach out to our Business Administrator, Mr. Nick Mackres (732-449-6380 ext. 416) or nmackres@hwmountz.k12.nj.us. If you need any assistance with your wireless or technology portion please reach out to our Technology Coordinator, Mr. Christopher Soto (732-449-6380 ext. 404) or csoto@hwmountz.k12.nj.us

With Pride,
