Someone Special Celebration 2021: The Someone Special Celebration has been an annual tradition at Mountz for a long time. Last year's event was held right before the school was shuttered due to COVID. This year, while COVID restrictions have gradually been easing, we were still faced with capacity limits and venue availability. In recent years, the event has been held at the Spring Lake Golf Club, which unfortunately is in the midst of renovations. Thankfully, we have been offered the The Mill Lakeside Manor, a stunning venue that is perfect for our event. One of the dates offered was after Spring Break but within the recommended quarantine period following Spring Break. The only other date is a week from **Sunday, March 21st**. Knowing the results of the school's recent Spring Break travel survey, which indicated that roughly fifty percent of the Mountz families would be travelling, and after careful and thoughtful consideration about having it after Spring Break, the PTA board decided to move forward with the event now feeling that we have a relatively known sense of conditions, not to mention that it is a spectacular venue (with stated safety protocols) that has been graciously offered to Mountz. The one caveat is that we have to rally quickly, as time is of the essence. Please see the attached flyer for more information and let us know **by Sunday, March 14th** if you can attend. You can RSVP to any PTA Board member, or email Diane Moran at dd2moran@gmail.com. It should be a truly special event, as always! Please see flyer: [Someone Special Celebration](#)

Thanks for the interest in the 3rd Annual Boosters Paddle Tournament to be held March 20, 2021. We had an incredible response and all spots are now filled. We are looking forward to a fun day that will raise money for the unfunded sports programs at our school.
