

# Science and Engineering Expo

## Step 1-Choosing a Topic

Name \_\_\_\_\_

What question are you asking **or** what invention are you going to make?

---

---

Why are you interested in this topic?

---

---

---

---

How will this project improve people's lives or make the world a better place?

---

---

---

---

Explain how you are going to conduct this experiment or make this invention?

---

---

---

---

---

---
