

Science and Engineering Expo

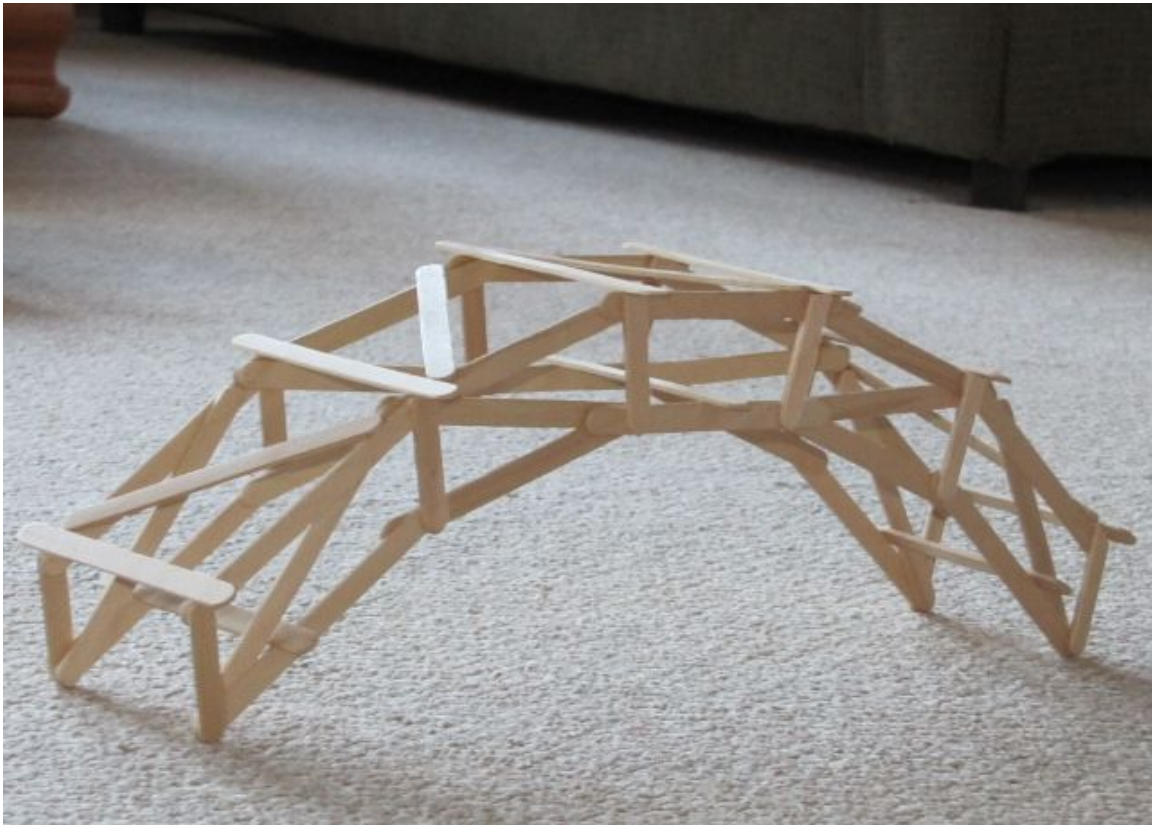

Step 6-Completing the Project

While you complete your project, take or draw **5** pictures that show what you did during the experiment. For each picture write the date and time the picture was taken and write a short description of what is happening.

See Example:

Log Entry 1

4/15/17 (11:30 AM)

Caption: This is an example of the arch bridge before I tested it.
