[Fashion Design Enrichment](#)- Spring Break Style Sketchbook is offering a 5 week fashion design series for kids who love clothes, love to draw, want to be creative and have fun! Students will choose a spring break destination and design a unique wardrobe for their trip!

During the session they will also learn how to draw the proper fashion figure and become familiar with the names of different styles of clothing and other fashion terms. Students will understand how to design and draw clothing on the fashion figure, and professionally render their designs. They will create a full fashion collection presentation board for their trip!
